This yearbook is a reflection of each student's activities at Proctor High School. Your school career can be divided into three parts - that which was, which is, and which will be. If you have learned from the past to profit by the present, and from the present to live better for the future your life will be like a snowflake which leaves its mark, but not a stain.

SENIORS

In a high school world his enthusiastic presence gave the junior high an identity and pride of its own. Through his interest and efforts our activities expanded to include softball games, a junior high school dance, and a class picnic. We remember him as a stimulating teacher, a dedicated coach, and a warm and witty human being.

For these reasons and many more the Class of 1969 proudly dedicates its Senior section of the 1969 Proctorian to Mr. Ronald Hasseltine.

April, come she will,
When streams are ripe and swelled with rain,
May, she will stay,
Resting in my arms again.

June, she'll change her tune,
In restless walks she'll prowl the night,
July, she will fly,
And give no warning to her flight.

August, die she must,
The autumn winds blow chilly and cold,
September, I'll remember.....
